

2011 Annual Report

Letter from the President

Dear Friends,

Nine years already....where do I start? As your President, first I am very honored to represent the FMDSA this year. Since volunteering in 2004 (when I was first diagnosed and searching for any information I could find on this rare disease), FMDSA has taken me on quite a journey. I remember feeling helpless and alone...that is when I found the FMDSA web site and met our (now) Executive Director, Pam Mace. I immediately found a friend and a sister...someone who shared my deepest fears and greatest hopes, and I knew at that moment that I wanted to be part of this organization to help raise awareness of our disease and hopefully one day find a cause/cure for FMD.

It is a long road when you embark into research, but as with anything worthwhile, it takes time and dedication. Thanks to the dedication of the FMDSA Board of Directors, Advisory Board and Physicians and especially to the members who donate their time to help raise money to fund our programs including the Patient Registry and office operations, our uphill journey has been quite a learning experience with amazing results. Yes, we still have a long way to go, but let's look at our accomplishments this past year.

- The 4th Annual FMDSA Conference was held May 13-14, 2011 at the Doubletree Hotel in Downtown Cleveland. Over 60% of those who attended were new to FMDSA.
- The fifth HEGP (Hopital European G Pompidou) meeting on FMD was held on October 21st in Paris, France; Dr. Jeff Olin and Pam Mace were in attendance.
- The FMDSA represented at the NORD conference in Washington DC, October 11-13th.
- Nearly 150 patients with FMD have been recruited in our Biorepository project between the Cleveland Clinic Foundation and Mayo Clinic by July 2011.

- 2011 Conferences included the International Stroke, American Cardiology Conference (ACC), the Society of Vascular Medicine and the 1st annual US Conference on Rare Diseases and Orphan Products. Fibromuscular Dysplasia Registry results were presented at the ISET Meeting in Miami by Dr. Jeffrey Olin.
- The FMDSA has had increased media coverage over the past year, as well as joining the Social Media by launching our FMDSA Facebook and Inspire FMD Group Support pages. This year we also launched our first Patients United Fundraising Campaign.

At the end of the day, it's all about achieving our goals and fulfilling our Mission. Thank you to the FMDSA Boards, Physicians, and all of you, the members who freely devote your time to volunteer for the FMDSA. Without your help we could not have come this far, and with your continued support we can continue this journey! I recently read a quote that said "Snowflakes are one of nature's most fragile things, but just look at what they can do when they stick together." Together we can achieve our goals! I look forward to "sticking" with you to continue to grow the future of the FMDSA.

Thank you,

Cheryl Bailey,
President - FMDSA

2011 Annual Report

Audited Financial Statements

Statement of Financial Position

ASSETS	2011	2010
CURRENT ASSETS		
Cash and cash equivalents	\$ 80,396	\$ 116,045
